

Consent Form – General (Specific)

Male Victims of Domestic Violence

Project Title: Tasmanian Men and Service Providers Experience of Domestic Violence

I hereby consent to participate in the above named research project.

I acknowledge that:

- I have read the participant information sheet (or where appropriate, have had it read to me) and have been given the opportunity to discuss the information and my involvement in the project with the researcher/s
- The procedures required for the project and the time involved have been explained to me, and any questions I have about the project have been answered to my satisfaction.

I consent to:

- ☒ *Participating in a screening questionnaire and a one-on-one interview*
- ☒ *Having my information audio recorded*
- ☒ *To review the interview transcript for accuracy*

I consent for my data and information provided to be used in this project.

I understand that my involvement has limits to confidentiality and that the information gained may be required to be reported as part of the researchers obligations under mandated notification requirements for psychologists where participants report that abuse may have been committed against a child or children. Where this does not apply, information collected during the study may be published, but no information about me will be used in any way that reveals my identity.

I understand that my participation in this study will have no effect on my relationship with the researcher/s, and any organisations involved, now or in the future. I understand that I will be unable to withdraw my data and information from this project after all my data has been collected. This is due to information provided being non -identified.

This study has been approved by the Human Research Ethics Committee at Western Sydney University. The ethics reference number is: **H14554**
